The image shows the front cover of a book. The background is a light brown, wood-grained paper. A large, dark brown, stylized letter 'V' is printed vertically on the left side. To the right of the 'V', the words 'VIKING' and 'ECHOES' are printed in a dark brown, serif, all-caps font, stacked one above the other. In the bottom right corner, there is a small, faint handwritten number '46'.

CLASS PROPHECY

In the year of 1956, James Christensen stepped into the office of the Pan American Airways. He approached the ticket window to purchase a ticket to New York, where he had a very important business engagement with one of his former classmates, Cornell Munkvold. Cornell is a lawyer, his office being in the Empire State Building. Ticket in hand he crossed the landing field and entered the plane. As the plane took off, he dreamed about what he would do when he finally saw Cornell.

Upon arriving in New York, he went directly to Cornell's office. Not seeing each other for quite some time, they had much to talk about. Cornell was asking about all the old classmates, whom he had not seen since they graduated in '46.

After his many questions, he received the following bit of information.

Lois Nelsen is teaching in a small country school.

Ralph Lauritzen is trying to impersonate Frank Sinatra. (So Bendert tells us)

Elaine Crowder, being fond of music, had decided to make it her career. She is the 1st trombonist for that famous "Evelyn's All Girls Orchestra."

Eugene "Slook" Larsen had been promoted to chief operator for Glud Theatre.

He is getting \$1.25 a night.

Nina Holm has succeeded in passing her screen test for Metro-Goldwyn-Mayor and has agreed to sing for a ten-year contract.

Roger Christiansen is sales manager for Allis Chalmers Machinery Company.

Darline Christensen was united in holy matrimony shortly after graduating and not much had been heard of her since.

Evelyn Overgard went into business with her sister, giving singing and "bubble dancing" lessons.

Arnold Lund is demonstrating to the Housewives of America how easy and simple daily tasks can become with the aid of his quick acting, super, bubble soap.

The "Estergard Twins", after inheriting a large sum of money, are just taking life the easy way, traveling about the world, I don't know if either has

found the One for their heart's desire or not.

Emmett Berthelsen is still trying to sell his old Model T. He has taken over the city dray business with a new set of Ford Trucks.

Ardis Simonsen married that soldier and is living near Irene.

Elaine Platte married her sailor and has decided a quiet home life is all for the best.

John Buckstead is the coach of an undefeated team at Yale.

Eirleen Johnson is the private secretary to the Town Mayor.
